

## **C.V of Prof. (Dr) Dasharath Singh**

Former Professor of Mathematical Logic, IIT Bombay

& Ahmadu Bello University, Nigeria

Currently Research Scientist USA

Born on 1st January, 1937.

B Sc Hons (1959)-B.R.A University, Muzaffarpur, Bihar

M Sc (1961)-B.R.A University, Muzaffarpur, Bihar

Ph D(1970), Axiomatic Set Theory ( Patna University)

**Research areas:** Set Theory (Standard, Multi-Soft-Fuzzy)

### **Post - doctoral:**

- Research School in Advanced Set Theory, University of Cambridge (UK), 1978
- Senior Visiting Fellow, Princeton University (USA), Fall 1981
- Research School in Nonstandard Analysis, and Advanced Set Theory, University of Hull (UK), 1986
- Research School in Advanced Set Theory, University of Berlin, 1989
- Monograph in Collaboration with Professor F R Drake, Director, School of Mathematics, University of Leeds (UK), John Wiley, UK, 1996

Published more than 100 research papers in National and international Journals,

Supervised 18 Ph. D and 12 M. Sc Theses as the first supervisor, Ahmadu Bello University, Nigeria

### **Award**

Vice Chancellor's merit award 2014, besides several other academic honours.

### **Teaching Experience**

1961-1970, Rajendra college Chapra, J.P University, Chapra, Bihar

1971-1980, Bastah University, Iraq

1986-1997, Professor of Mathematical Logic IIT Bombay

1999-2017 A.B University, Nigeria

Currently Research Scientist USA
